

Jesus my

Savior

Will

love me forever

He'll never

forsake me

no never

But always he'll

stay close

Beside me

and tenderly

Guide me

until I reach

Heaven's bright Shore

Oh won't

you come

and go with me

and be

God's dear child

for eternity

He'll save your soul

and make you whole

**If you'll
only trust
him just now.**
